

Coming Home

The Nazarenes

Written By Andy Hayward

Verse 1:

Could all this be true
Could all what I've said in my youth
Remember the one that died
He did it to save all of our lives

Pre Chorus:

My world was spinning round
I fell to the ground
In shame my head bows down
On it you have placed a crown

Chorus:

I'm coming home, on my way home to you
I'm coming home, anointed in spirit and in truth
I'm coming home, to take my place by your side
I'm coming home, to you the sacrificed

Verse 2:

Could all this be true
Could all what I've said in my youth
Do all that I can
From all the work you began

Pre Chorus 2:

Lets turn the world upside down
Get up from the ground
In awe our heads bow down
On them you've placed a crown

End:

I'm coming home, to you
Only you
