

Down to You

The Nazarenes
Written By Ste Parkes

Verse 1:

I could sing you lullaby
That directs you to the most high
But in the end it's all down to you

Chorus:

Doesn't matter what people say
Doesn't matter what people do
'Cause in the end it's all down to you

Verse 2:

I could tell you what to say
I could tell you what to do
But in the end it's all down to you

Verse 3:

I could tell you what books to read
And you could follow in my lead
But in the end it's all down to you
