

Holy is the Lord

The Nazarenes

Written By Andy Hayward

Verse 1:

You're worthy to take the scrolls
And open up it's seals
When you died on the cross
You saved us from the lost
You made the blind to see
You said follow me
I knew what I had to do
Pack my bag, Follow you

Chorus 1:

Holy is the Lord
Holy is the Lord
Holy is the Lord
Lift up you're name

Verse 2:

Why did I loose my sight?
I wandered away from the light
I stopped, where could I go?
Back to my roots where I know
Why did I fall back then?
Thought I knew everything
I had no place I could turn
Seemed all my bridges were burnt

Chorus 2:

Where is the Lord
Where is the Lord
Where is the Lord
I'm all alone

Verse 3:

I thought I had life sussed
Instead my life begin to rust
I knew what I had to do
Pack my bag and follow you
So I returned from the lost
I knew what my life did cost
Your son upon Calvary
He saved my life, You set me free
